The slide features a purple header with the HumanZ logo and the tagline "your HR zone". A blue menu is visible on the left side, listing topics: Introduction, Allocate Merit & Bonus – user interface, Allocate Merit & Bonus – user interface, Approval, and Using Reports. The main content area is dark blue with a white "X" button in the top right corner. The text "Thank you for completing this e-learning." is centered in white. Below this, there is a paragraph: "If you want to view any of the topics again, close this window by clicking the 'X' button and use the menu to select the topic." and another paragraph: "If you want to close this e-learning click the below button." Below the text is a purple button labeled "Exit". At the bottom right of the slide, there is another purple button labeled "Exit".

1.4 Welcome

The slide features a purple header with the HumanZ logo and the tagline "your HR zone". The word "Introduction" is written in white on the right side of the header. The main content area is white with the title "Introduction" in blue. Below the title, there is a paragraph: "To start the process of allocating compensations go to the HumanZ system and log in. Switch to the **My Team** tab and click **Workforce Compensation**." Below the text is a screenshot of the HumanZ system interface. The interface shows a navigation bar with tabs: Me, My Team, My Client Groups, and Tools. The "My Team" tab is selected. Below the navigation bar, there is a "QUICK ACTIONS" section with links to Employee Summary, Employment Info, Document Records, Vacancies, and Create Survey. To the right of the quick actions is a "APPS" section with four buttons: My Team, Journeys, Workforce Compensation (highlighted with a red box), and Reassign My Workflow. A "+" button is located below the "APPS" section. At the bottom left of the screenshot, there is a "Show More" button.

Introduction

Workforce Compensation Page

There are 3 sections on the main page:

- **Plan details:** this section displays Plan's name and status, date of the last approval and access level.
- **Tasks:** you will find here all available tasks like Allocating Merit & Bonus or Viewing Reports. You can also start the approval process from here.
- **Summary:** This part of the main page is dedicated to view general statistics.

stage 1 (Slide Layer)

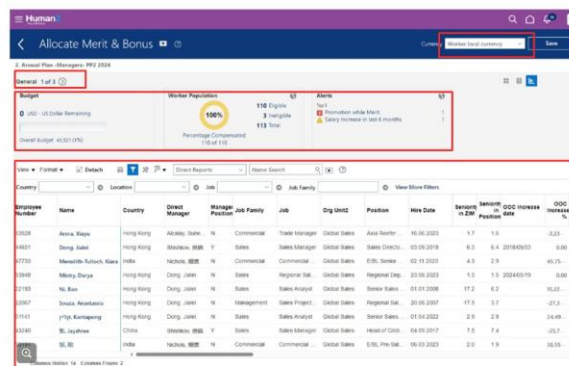

Workforce Compensation Page

Using icons in the Plan's detail section you can switch between available plans. If you have more than 1 plan – you should update them and submit separately.

1.7 User Interface

Sections

After entering into Allocate Merit & Bonus task you will see **detailed information** about selected plan.

In the top right corner you will find a **Currency** field where you can switch between USD and employee's local currency.

On the top of the details section you can select **the budget** you are working on.

On the grey background you will see the **overall and remaining budget** and additional information depends on the selected view.

The main part of the page is dedicated to the **data table**.

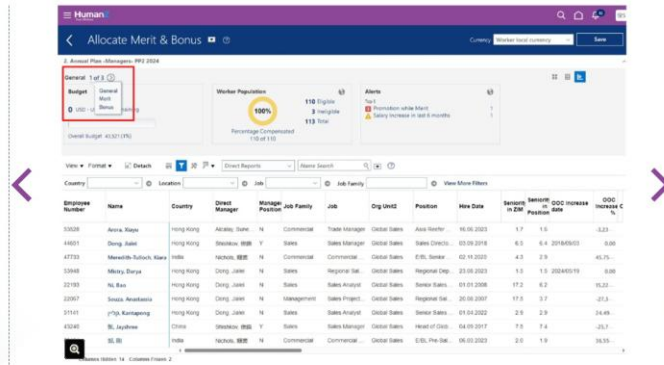

Let's see what tools and features will help us during this process.

Interface 2 (Slide Layer)

Allocate Merit & Bonus - User Interface

Budgets

You can choose from 3 budgets:

- **General** – you are not allowed to allocate amounts within this budget;

- **Merit**;

- **Bonus**.

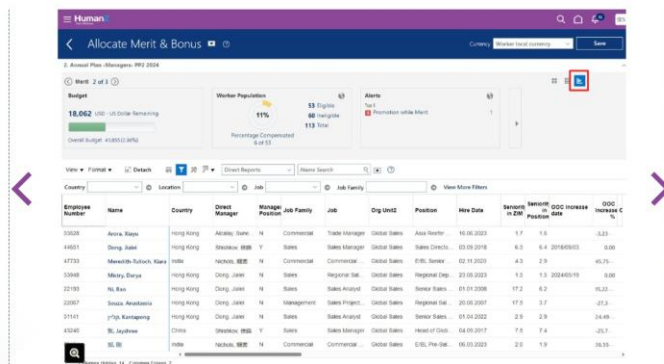

Depends on your choice the system will display relevant data.

Interface 3 (Slide Layer)

Allocate Merit & Bonus - User Interface

Default view

Information displayed by default in the "grey" section represent an **analytical view** (see the marked icon on the right).

You can find here the budget you will work with. The **remaining amount** will be updated automatically as you work with your budget.

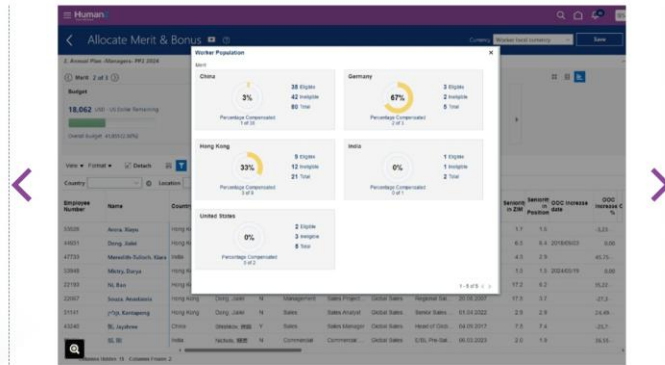

The other information shown on this view are **Worker Population**, **Alerts** and budget **Distribution by Country** (available after clicking the small right arrow).
